Sutton, ON - Congratulations to Sutton Group – Solutions Realty Inc.*, the newest addition to our family in Sutton, Ontario with two satellite offices in neighbouring towns. The leadership of this brokerage has more than 50 years of real estate experience and feels poised to offer greater choice and outstanding levels of professionalism to local residents. Sutton Group – Solutions Realty Inc. opened on June 3, 2008 to a warm welcome.

Broker/Owners Sue Plumbohm and Martin Nash, in conjunction with Broker of Record Rose McDonald, will manage three offices in three Ontario municipalities: Sutton, Aurora and Keswick (which is part of the town of Georgina). The main office in Sutton and the two satellite offices will serve a population of approximately 91,000. Their client base also includes the many part-time residents who arrive during the summer to enjoy this beautiful cottage country on Lake Simcoe.

Sue and Martin are active sales associates who work alongside several other associates on their team. As long-time residents of the area and active community members, Martin brings more three decades of experience to the brokerage and Sue brings more than two decades of knowledge and skill. In addition, Sue and Martin worked for a Sutton office that existed in their community several years ago.

"We were quite happy with Sutton before," says Sue. "At one time, it was the number one brokerage in the area. Sutton is a great organization with a very flexible structure that is appealing to sale associates. It was a very smooth change-over. I particularly appreciate the strong referral network and the fact that it is Canadian-owned. It's also wonderful for our marketing that we live in a community that shares the Sutton name. I am very happy to be back!"

Sutton is a 100% Canadian-owned and operated company with more than 8,900 REALTORS® in 200 offices nationwide. To find out more about Sutton, visit www.sutton.com. To learn more about Sutton Spirit, visit www.suttonspirit.com.
