Sutton Office Sponsors the First Annual ICSS Golf Tournament

Ottawa, ON – On June 22, 2009, Sutton Group - Premier Realty (2008) Ltd.* helped to support the First Annual ICSS Golf Tournament. This event raised over \$10,000 for ICSS (Innovative Community Support Services), which is a non-profit charitable organization. They are committed to creating and providing families and individuals with innovative, high quality and cost-effective community based programs and services that promote a strong sense of well being. Their goal is to help people move out of the hospital and to develop skills for living in the community.

REALTOR®, John Baron with Sutton Group - Premier Realty (2008) Ltd.*, has been an active Board Member with ICSS for over four years. John explains, "My work with the ICSS allows me to give back to the community. I also like that 100% of the money we raise goes directly to the cause." He also advocates that they are an organization that makes a direct impact on those with disabilities, by allowing them the opportunity to participate in social outings, where the cost is not covered by government.

John's office, Sutton Group - Premier Realty (2008) Ltd.*, got involved in the golf tournament by offering sponsorship. Players received Sutton shirts, hats and monogrammed golf balls. The day of golf at GreyHawk Golf Club was followed by a fun evening of dinner, auctions and award presentations. "Thank you to Donald (President) and Alana Abraham (Executive Director of Operations) of Sutton Group - Premier Realty (2008) Ltd.* for helping make this event a success," John concludes.

Sutton is a 100% Canadian-owned and operated company with more than 8,700 REALTORS® in over 200 offices nationwide. To find out more about Sutton, visit www.sutton.com. To learn more about Sutton Spirit, visit www.suttonspirit.com.
