## **Sutton REALTOR® Performs to Benefit Tour For Kids**

**When I Grow Up**  
☆  
a personal narrative

**Mississauga, ON** – Lesley Carlberg, REALTOR® with Sutton Group – Quantum Realty Inc.\*, took to the stage with Barbara Jensen, a friend of seven years, on May 8, 2009. The duo performed a personal narrative that incorporated improv, stand-up, singing and dancing. Written by Lesley and Barbara themselves, the adult's only show based on childhood dreams and adult reveries was well received by the audience at The Second City theatre.

The pair decided to produce and perform their own show as a way to raise money for **Tour For Kids**. Lesley explains, "For a number of years, Barb and I have talked about putting on a show and we felt this was an excellent opportunity to put a show together and help out with a wonderful cause."

**Tour For Kids** is a bike rally event organized by the Coast to Coast Against Cancer Foundation (CTCAF). The Foundation is dedicated to improving the quality of life and the survival rates of children and adolescents with cancer. They focus on projects which support transition and survivorship programs, research and education initiatives, as well as pediatric oncology camps.

"The show was a lot of fun and everybody had a wonderful time. We had a great turn out considering it was at eleven o'clock at night in downtown Toronto," concludes Lesley. The duo also biked a 100km for four days as part of the **Tour For Kids** event and were able to personally deliver the money raised from their show to the charity.
